This is our 2nd year that we are participating with Confrontation Point Ministries, which is in the Appalachian Region. We will assist needy widows, elderly, handicapped and single mothers with their basic housing needs. These repairs are made at no cost to the homeowner. We will work on the repair for 4 days and then will go repelling on the last day.

You do NOT have to have any previous building repair or painting experience. We may be asked to bring some tools – so let me know if you will be willing to bring any!

Return this form with your \$75 non-refundable deposit(checks payable to FUMC) to Emily's Box in the Church Front Office by January 15th!!!

You will also need to fill out the FUMC Youth EMERGENCY PERMISSION FORM for 2008 this summer and a camp consent form that I will mail to you when you are registered.
