This is our 5th year hiking with Wilderness Trail. (www.wtrail.com)

You do NOT have to have any previous hiking experience. The hike consists of about 45 miles of the Appalachian Trail – it is beautiful! Wild Ponies, rock formations, sun and rain... laughter, games and lots of stories about our faith.

The **only gear you will need** is a light weight sleeping bag, sleeping pad, your clothes and hiking boots/shoes(your backpack if you want). They will provide the rest of the equipment.

Return this form with your \$50 non-refundable deposit(checks payable to FUMC) to Emily Box in the Church Front Office to save your spot by NOVEMBER 11th.

You will also need to fill out the FUMC Youth EMERGENCY PERMISSION FORM for 2008 this summer and a camp consent form that I will mail to you when you are registered.
